Model	IB-AD508
Article no.	60222
EAN code	4250078165545
Brand	ICY BOX
Colour	Black
Material	Aluminium, plastic
Chipset	PS176
Host interface	DisplayPort™ 1.2a
Video output	High Speed HDMI (Type-A)
Resolution	Up to 4096x2160@60 Hz
Power supply	Bus-powered, 3.3 V
Supported OS	Windows® 7 / 8 / 8.1 / 10 / macOS®

RaidSonic
Technology GmbH
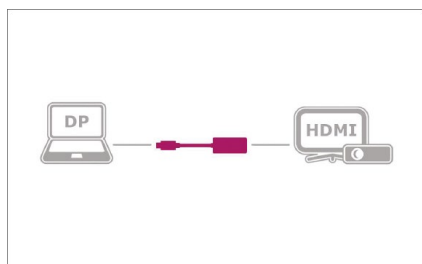

ICY BOX **IB-AD508**
DisplayPort™ 1.2a to HDMI® adapter

How would it be...

Watching movies on a big screen rather than the small notebook screen is a much better experience. Enjoy all this in Ultra HD Quality.

The new one

The IB-AD508 is the successor of the popular IB-AC543. No changes done to the proven functionality, but now with a more handy look and premium aluminium accents.

Flexibility

With a stiff but very flexible cable the IB-AD508 enables comfortable usage in small spaced environments like the backside of a tower PC or a beamer.
